## FOR IMMEDIATE RELEASE

### **Sedgwick County Sheriff K-9 Unit to Visit Derby Senior Center**

(Sedgwick County, Kansas) – The Sedgwick County Sheriff's K-9 unit will be at the Derby Senior Center, 611 Mulberry Road, on Friday, September 27 at 9:30 a.m. The K-9 unit will conduct a brief drug detection demonstration for visitors, provide information and answer questions on the unit and dogs.

"This demonstration is a great way for us to show the taxpayers some of the ways their money is being put to use," said Chairman Ben Sciortino. "Often times, the public doesn't get to see this type of service at work. This is a good way for them to learn more about what Sedgwick County government does to help keep our community safe."
